KTUNAXA BUSINESS SHOWCASE

ARE YOU READY TO TAKE YOUR BUSINESS TO THE NEXT LEVEL?

WHAT IS KTUNAXA READY?

An online Ktunaxa business directory and engagement portal that will replace the existing static and paper based Ktunaxa business directory. The new tool, *ktunaxaready.com* will incorporate a contemporary and professional design that will promote Ktunaxa businesses to a wider audience.

PURPOSE

Ktunaxa Ready will enable wider awareness of your business' products and services and provide an onboarding platform if your business does not have a web presence.

Small businesses, entrepreneurs and artisans will be able to exhibit their products and services online which may increase buyers' confidence. In addition to a consistent and professional site, the tool will provide distribution to a wider geographic area and not be limited to the Kootenay region.

INITIAL LAUNCH

The initial launch of Ktunaxa Ready will be on **May 31, 2020** with a limited number of businesses. On-boarding of additional business will continue through the year by our Business Development Officer.

YOUR PARTICIPATION IS IMPORTANT

In the next few months we will be reaching out to Ktunaxa businesses to participate in the project. The information collected will be used to create a business profile for each business within the Ktunaxa Ready website.

Our Business Development Officer will consult with each business to collect your business information and a professional photographer will capture images of the business for the website and marketing purposes.
