

Akiqnuq First Nation Request for Proposals

Akiqnuq First Nation (AFN) are requesting responses to this Request for Proposals for the construction for sewer system and water servicing of the 6 unit multiplex construction in Akiqnuq First Nation community.

There is already an approved design for the 6 unit multiplex, a builder has been selected, and construction of the multiplex began April 2018. The scope of work for this RFP includes construction and installation of approved design of the on-site waste water and water service for the Akiqnuq First Nation 6 unit multiplex. Please contact the AFN office if you require this information. Akiqnuq First Nation (250) 342-6301.
