# Questions?

## Ktunaxa Community Nurses

# Answer

**February 9, 2021 | 5:30 PM**

Ktunaxa Citizens are invited to join the free ONLINE information session with Community Nurses Brittany Groff, Dallas Cardinal, Heather McDonald and Sara Chorney, who will answer your questions about the vaccine, its efficacy, and what to expect when you get vaccinated.

Other panelists from community health centres will be online, too, to answer questions about the vaccine roll-out and access.
