

Bull River Fisher's Meeting

Have you or your family ever fished in the Bull River? We want to hear from you!

KNC is hosting two dinner workshops with Ktunaxa Citizens who fish in the Bull River, above and below the Aberfeldie Dam. We would like to gather knowledge of the river and inform planning for fisheries habitat improvements that will be beneficial to both fish and Ktunaxa fishers. The workshop will focus on questions such as:

How have the Bull River and the fish living in it changed over time?
What are the best locations and options for improving fish habitat in the upper river?
How can work be done to support Ktunaxa to fish in the river?
Beyond fish, what other Ktunaxa activities and values does fishing in the Bull River support?

Tuesday January 26th, 5:30 - 8:30 - St. Mary's Board Room

Wednesday January 27th, 5:30 - 8:30pm - Tobacco Plains Band Hall

Supper, travel and honoraria will be provided.

Please contact **Denise Walker** to register! dwalker@ktunaxa.org or 1-250-489-2464 ext. 3120

If you would like to share your knowledge with us, but can't make it to either meeting, please contact Denise and we will set up another time for discussion.
