POSITION: REGISTERED NURSE

CLASSIFICATION: PERMANENT

TERM: PART TIME

SECTOR: HEALTH

REPORTING TO: DIRECTOR OF HEALTH

DATE: February 21, 2023

LOCATION:

Located in the southeastern part of British Columbia, the Town of Creston has a unique blend of mountains, lakes, farms, orchards and forests. The population of Creston is 5,000 and the trading area serves about 15,000 people. The Lower Kootenay Band (LKB) has 200 plus members and is a member of the Ktunaxa Nation.

POSITION SUMMARY:

In collaboration with the Director of Health, key responsibilities of the Community Registered Nurse (RN) include providing quality health care to individuals and families within the Lower Kootenay Band while respecting and valuing Indigenous culture and traditions. The RN will support the operation of the Lower Kootenay Band Health Centre by collaborating with community members, healthcare professionals, and other service providers to ensure the best possible health outcomes for the community. The RN must be committed to providing culturally safe care and have a willingness to work collaboratively with the community. The planning and implementation of vaccine clinics, community-led health promotion and health screening events is an essential part of the community RN position.

DUTIES AND RESPONSIBILITIES:

- Participate as an integral member of the Lower Kootenay Band health care delivery team.
- Assess the health needs of individuals and families in the community, including identifying any health disparities and risk factors that may exist due to social determinants of health.
- Support case management and discharge planning of LKB community members admitted to medical facilities in collaboration with interprofessional medical teams.
- Provide liaison and advocacy support during hospital visits/admissions/medical appointments as requested by community members.
- Connect community members with applicable health resources via referrals.
- Support operation of the Lower Kootenay Band Health Centre during health clinics.
- Support HCA with home support tasks as needed.
- Maintain accurate and complete medical records, including documentation of all nursing interventions, patient progress, and any changes in the client's condition.
- Ensure confidentiality of all information related to clients healing journey.
- Use culturally relevant and appropriate nursing approaches when building relationships and providing community nursing supports.
- Actively advocate for safe health partnerships free of anti-Indigenous racism or discrimination when collaborating with health authorities and local health partners.
