

AKISQNUK FIRST NATION

Job Opportunity

MAINTENANCE WORKER

The Maintenance Worker performs maintenance and repairs related to Akisqnuq First Nation owned buildings, grounds, and equipment.

Key Responsibilities:

- Monitor and carry out preventative maintenance for buildings, equipment, and grounds. Ensure that all meet safety, security and fire regulations and policies.
- Clean external areas such as walkways, driveways, parking lots, and entrance ways using manual and power brooms, rakes, and shovels.
- Perform minor gardening and lawn maintenance tasks such as mowing, weeding, pruning, and watering.
- Perform carpentry, painting, mechanical, and minor plumbing maintenance, and repairs as needed.
- Ensure that bathroom, kitchen, Covid sanitization stations and supplies are always stocked.
- Other duties as required.

Requirements:

- Completion of Grade 10.
- Related vocational training such as a building maintenance course.
- Two (2) years related experience.
- Hold a Class 5 Driver's Licence.

Submit resumes to Lorne Shovar, Senior Administrative Officer
Akisqnuq First Nation, Windermere, B.C.
