

Fish and Fish Habitat in the Elk Valley

Monday, September 25, 2017

5:00 pm to 9:00 pm

Ktunaxa Nation Government Building Gymnasium

220 Cranbrook St. N.

Please join the conversation about fish and fish habitat in the Elk Valley.

This is the first of a series of annual meetings of the Ktunaxa Nation, Regulators and Teck along with the Elk Valley Fish and Fish Habitat Committee (EVFFHC). The goal is to establish Ktunaxa management of fish harvesting & habitat restoration in the Elk Valley.
