

Information Session

Bullfrog biology, surveys and eradication

Bull Frogs are making their way to the Yaqaan Nu?kiy and Creston wetlands.
We want to share what has been done and the plan forward to KEEP THEM OUT!
We also want to HEAR FROM YOU!

Location: LKIB Gym
Date: September 11, 2017
Dinner: 5:30pm
Meeting: 6:00pm

Meet with Provincial and KNC staff who are working to find and capture Bullfrogs in the Creston Valley and near Yaqaan Nu?kiy

For inquiries or to RSVP please contact
