

Nohels is a construction company that is deep roots in the Elk Valley; we have a strong commitment to the Environment, Safety and our Community. If you would like to join our team we are currently looking for Dredge and Shore Operators to work at one of the Teck mining operations in the Elk Valley on a dredging project. The work is seasonal based around the late spring, summer and early fall.

We are looking for team oriented people that have the following attributes and skill sets:

- Be a courageous safety leader, adhere to and sponsor safety and environmental policies and procedures
- Operate heavy equipment- specifically a dredge, large pumps and work boat, the company is willing to train successful candidates
- Perform maintenance, production and environmental hourly checks on pipeline and site equipment
- Strong work ethic
- Communicate efficiently with other team members
- Perform routine daily and weekly maintenance on equipment
- Be mechanically inclined with a willingness to learn

**Minimum Requirements:**

- At least 18 years old
- Strong team player and able to communicate well with others
- Highly motivated and have ability to perform tasks with supervision
- Must adhere to high safety standards
- Capability of working 4 on 4 off day and night shifts.
- Able to work outdoors with a potential exposure to varying climatic conditions
- Physically capable to perform labor intensive work when required

**Elkford Industries Ltd.**

PO Box 1227 Sparwood BC V0B 2G0  
TEL 250-425-2519 FAX 250-425-0144

- Currently have a valid Canadian driver license is desirable
- Must pass drug & alcohol pre-screening and random tests
- Must be permitted on Teck property (has not been banned from any Teck property)
- Be able to get to Sparwood to report for work during schedule shift

Thank you in advance for your interest in our company and being a part of our team.
