

Invitation to Ktunaxa Business Owners & Managers

Ktunaxa Teck Joint Business Symposium

Causeway Bay Hotel, Sparwood, BC
February, Friday 27, 2015 @ 12:00pm-4:00pm

Ktunaxa Nation Business Owners are invited to participate in the Ktunaxa Teck Joint Business Symposium . This is an opportunity for Ktunaxa Businesses to present their business to various Teck Coal Purchasing Managers for procurement opportunities.

Not sure if your good and services are what Teck is looking for? Your business is not an industrial contractor? Your product or service may be First Nation artwork for corporate gifts, locally grown beef for their next corporate barbeque, or maybe even administrative skills support for their next contracted project. Teck procures goods and services that go beyond general contracting.

The Ktunaxa Nation Council Employment & Training Department will be putting on an “Elevator Pitch” workshop to help prepare business owners to present their business to Teck Purchasing Managers. All registered participants will receive email notification of the workshop.

Participants must be registered and can register by using the form at the bottom of the Ktunaxa Nation Employment Services webpage:
<http://www.ktunaxa.org/employment/>

Registration due by February 6th, 2015. No Registration Fees.

For more information call Employment Development Officer, Jacey Proudfoot, at 250-420-2717

Lunch will be provided at noon.
No travel honorariums will be provided.
