AFS Traffic Control Person

POSITION SUMMARY

A Traffic Control Person, or Flagger, is responsible for directing traffic around construction sites, road work, or other areas where traffic flow may be disrupted. Physical fitness is necessary with the ability to stand for long periods of time, and to carry and lift equipment up to 50lbs.

You will receive training in traffic control techniques, safety procedures and communication skills.

A valid TCP (Traffic Control Person Ticket) is not necessarily required, as we do provide training.

Existing TCP ticket holders will have their experience recognized.

KEY RESPONSIBILITIES –

- Driving fully equipped pickup to sites;
- Setting up standard signs for work zones;
- Guiding vehicles safely through or around work zones and accident scenes;
- Communicating direction clearly to contractors, the public and other flaggers on site.
- Self-motivated and safety oriented team player

The successful candidate will have a high level of self-discipline, team mentality, and the ability to work well under pressure. A demonstrated knowledge of Ktunaxa/Aboriginal people and Ktunaxa/Aboriginal culture is an asset as we are proudly owned by the ʔaqam community of Cranbrook, B.C. Proof of a clear criminal record, clean driver's abstract and a Valid Class 5 License is preferred.

Salary Range \$18.50 and up, commensurate with experience.

Please submit your resume via email marked "Resume" ʔaqam Flagging and Safety - Amanda Dixon – email: aceadmin@aqam.net

Preference will be given to candidates of Ktunaxa or other First Nations ancestry and ʔaqam encourages applicants to self-identify within your application. Thank you to all those that apply, however only those selected for an interview will be contacted.

Applications will be accepted until a qualified candidate is hired and will be reviewed as received.
